

Terms of Service for MyReceptar Application

Last Updated: September 2025

Welcome to MealPlans Application ("Application"). By accessing or using our Application, you agree to comply with and be bound by the following terms and conditions ("Terms of Service"). Please read these Terms of Service carefully before using our Application. If you do not agree to these terms, you should not use our Application.

1. Acceptance of Terms

By registering for and/or using the Application, you agree to abide by these Terms of Service and any amendments made to these terms. We reserve the right to modify these terms at any time, and such modifications will be effective immediately upon posting. It is your responsibility to review these terms periodically for updates.

2. Description of Service

The MealPlans Application is a platform designed for meal planning and nutrition management. The Application provides functionalities such as:

- Creating and managing personalized meal plans
- Storing and organizing recipe information
- Managing user profiles with photo uploads
- Tracking meal items, portions, and nutritional data
- Generating PDF reports of meal plans
- Sorting and filtering meal plan data
- Synchronizing data across devices (when applicable)

3. User Accounts and Data

To use the Application, you must create a user profile. You agree to:

- Provide accurate information during profile creation
- Maintain and update your profile information as needed
- Keep your data secure and backed up appropriately
- Notify us of any unauthorized access to your data
- Take responsibility for all content uploaded to your profile

4. Use of the Application

You agree to use the Application for lawful purposes only. You agree not to:

- Use the Application in any way that could damage, disable, or impair the Application
- Upload inappropriate, offensive, or copyrighted content as profile photos
- Attempt to gain unauthorized access to other users' data or system components
- Use automated systems to access or manipulate the Application
- Share meal plans containing harmful, dangerous, or medically inappropriate dietary advice

5. Meal Plan Data and Recipes

The Application allows users to create and store meal plans and recipe information.
You are responsible for:

- Ensuring the accuracy and safety of nutritional information entered
- Verifying that recipes and meal plans are appropriate for your dietary needs
- Consulting healthcare professionals for specific dietary requirements or restrictions
- Not sharing meal plans that could be harmful to others

Important: This Application is for informational purposes only and does not provide medical or nutritional advice.

6. Photo and File Storage

When uploading photos or files to the Application:

- You retain ownership of your uploaded content
- You grant the Application permission to store and display your content within the Application
- You are responsible for ensuring uploaded content is appropriate and legal
- The Application is not liable for data loss, though we make reasonable efforts to protect your data

7. PDF Reports and Data Export

The Application generates PDF reports of your meal plans. These reports:

- Are for personal use only
- Should not be distributed as professional dietary advice
- May contain data you have entered, which you are responsible for verifying
- Are provided "as-is" without warranty of nutritional accuracy

8. Privacy and Data Protection

We respect your privacy. Your personal information, including:

- User profile data
- Uploaded photographs
- Meal plan information
- Application usage data

Is handled according to our Privacy Policy. By using the Application, you consent to our collection, use, and storage of your information as described in the Privacy Policy.

9. Network Features and Synchronization

If using network features (TCP/UDP synchronization, HTTP downloads):

- You are responsible for your internet connection and associated costs
- Data transmission occurs at your own risk
- We are not liable for data loss during network operations
- External API connections are subject to third-party terms of service

10. Intellectual Property

All Application code, interface designs, and built-in functionality are the property of the MealPlans Application developers. You may not:

- Reverse engineer or copy the Application code
- Distribute or create derivative works of the Application
- Remove or modify copyright notices or proprietary markings

Your user-generated content (recipes, photos, meal plans) remains your property.

11. Health and Safety Disclaimer

IMPORTANT HEALTH NOTICE:

- This Application is NOT a substitute for professional medical or nutritional advice • Always consult healthcare professionals for dietary needs, allergies, or medical conditions • We are not responsible for health outcomes resulting from meal plans created with this Application • Users with eating disorders should seek professional help before using meal planning software

12. Disclaimer of Warranties

The Application is provided "as is" and "as available" without warranties of any kind. We do not warrant that:

- The Application will be uninterrupted or error-free
- Nutritional calculations or data will be completely accurate
- Data will never be lost or corrupted
- The Application is free of bugs or security vulnerabilities

13. Limitation of Liability

MealPlans Application, its developers, and contributors shall not be liable for:

- Any health issues resulting from meal plans created using the Application
- Data loss or corruption
- Indirect, incidental, or consequential damages
- Issues arising from third-party API integrations or network features
- Damages resulting from unauthorized access to your data

14. Termination

You may stop using the Application at any time. We recommend backing up your data before discontinuing use. We reserve the right to discontinue the Application or specific features with reasonable notice.

15. Updates and Modifications

The Application may receive updates that modify functionality. Continued use after updates constitutes acceptance of changes. We will make reasonable efforts to maintain backward compatibility with existing data.

16. Governing Law

These Terms of Service shall be governed by and construed in accordance with the laws of Croatia, where the Application was developed, without regard to conflict of law principles.

17. Contact Information

If you have any questions about these Terms of Service or the Application, please contact the development team through the appropriate academic channels at Tehničko veleučilište u Zagrebu.

18. Educational Use Notice

This Application was developed as part of an academic project for the "Napredne tehnike programiranja" course. While functional, it is primarily intended for educational and demonstration purposes.

By using the MealPlans Application, you acknowledge that you have read, understood, and agree to be bound by these Terms of Service.
